Step 4: 「Certified in Cybersecurity Training – Japanese」を選択

Prep for Certified in Cybersecurity certification at your own pace

As part of our commitment to help close the cybersecurity workforce gap and diversify those working in the field, ISC2 is offering FREE Certified in Cybersecurity (CC) Online Self-Paced Training and exams to one million people. Don't miss out on this opportunity to demonstrate to employers you have the foundational knowledge and skills necessary for an entry- or junior-level cybersecurity role.

Already Enrolled?

If you've already enrolled in this free training, simply click on "My Courses" on the top of this screen and you'll be directed to ISC2 Learn to continue where you left off.

Claim your free Official ISC2 Online Self-Paced CC Training now.

Train at your own pace through an engaging learning experience to build a solid foundation of knowledge tested on the CC exam.

- 180-day access to course content*
- 14 hours of content
- · Pre- and post-course assessments
- · Knowledge checks and end-of-chapter study sheets and quizzes
- · Interactive content with applied scenarios and podcasts
- Online interactive flashcards

Enroll in free training

View course details

CC Online Self-Paced Training is available in English, Chinese, German, Japanese and Spanis

<u>Certified in Cybersecurity Training - English</u>

- <u>Certified in Cybersecurity Training German</u>
- Certified in Cybersecurity Training Japanese
- Certified in Cybersecurity Training Simplified-Chinese
- <u>Certified in Cybersecurity Training Spanish</u>

At the end of the course, be sure to test your knowledge with the end-of-course assessment to help gauge your exam readiness. Once you feel prepared, redeem your free Certified in Cybersecurity exam and schedule your preferred date and time through Pearson VUE.

Prefer instructor-led training? As an ISC2 Candidate you'll receive a 20% discount on Online Instructor-Led Training. Learn more.

* You must be an ISC2 Candidate to enroll in this free course and get 180-day access to course content. The free course is a one-time offer. Please be advised that creating multiple accounts to re-enroll in free training or reapply a free exam code is in violation of ISC2 exam policies and may nullify your exam results and/or result in a temporary or permanent ban from ISC2 exams.
